The Frank C. Hoops for Heroes features an exciting basketball tournament with local police officers, firefighters, military, emergency medical services, and corrections officers to benefit the Frank C. Denzinger Foundation.

Floyd County Police Officer Frank C. Denzinger was shot and killed when he responded to a domestic disturbance between and mother and her 15 year old son in Floyd County, Indiana. Officer Denzinger and Officer Joel White where in the driveway of a residence speaking to the homeowner and another relative, the homeowner's son was inside the residence and began shooting at Officer's Denzinger and White with a military rifle. Denzinger heard the first shot and pushed the shooters relative to safety before being shot in the back. Officer Joel White was shot in the hip and later recovered. The suspect committed suicide in the home a short time later. Officer Denzinger had served the Floyd County Police 5 years as a patrolman.
