

HOOPS FOR HEROES **3RD ANNUAL CHARITY BASKETBALL TOURNAMENT** *To Benefit the Frank C. Denzinger Foundation*

Dear Team / Department Liaison,

The Hoops for Heroes 2010 Charity Basketball Tournament Commission is proud to announce Hoops for Heroes 2010 is scheduled and has started planning this year's tournament. This will be our third year and are excited about the new experiences and tournament features. We have started to gather sponsors and we need your help in gathering our 2010 tournament teams. We have opened up the tournament to 16 teams and have the venue to complete the tournament in 1 day if we receive that many entries. This year, we are working with the Frank C. Denzinger Foundation in our efforts to support their scholarships and emergency services support. We will be naming our tournament benefit very soon.

We have developed a relationship with Christian Academy in Southern Indiana for 2010 and are very excited about their support. This year we will be offering a KIDS ZONE were Christian Academies Varsity High School Basketball players will be offering an area where parents can drop off their kids to enjoy games, inflatable's, and other activities. CAI will also be supporting our charity in many other and various ways.
